Excitement, anticipation and just plain fun was one way to describe the 1978-79 Homecoming. The crowd was full of excitement waiting for the Queen to be announced at the football game just as the court, Rhonda Guiles, Deana Papalian, Kerry Martinez, Cindy Ramstead, Kelly Shobe and Laurie Stevens were. Halftime came and the class floats paraded around the stadium followed by the court in their flashy cars. Rhonda Guiles was crowned and the crowd exploded!

During the week of Homecoming, many activities were planned by Homecoming Chairman Monica Hunter. The students got involved by dressing up for every occasion. (Monday — Hat Day; Tuesday — Hick Day; Wednesday — Twin Day; Thursday — 50's Day; Friday — Spirit Day.) Other activities were the egg toss, water balloon fight, and the kidnapping of the court in their pajamas. Many familiar faces were seen from past graduating class — for that is what Homecoming is all about.

FATHER — DAUGHTER BANQUET

Mr. Kennedy was the guest speaker at the Father — Daughter Banquet on November 1, 1978 at Chaffey High School. This year was unique from other years because the couples dressed up to the theme . . . "Dad and his Shadow."

BACKWARDS DANCE

The backwards dance brought out the Mickey Mouse in everyone. Upland High students danced to the theme of "Twenty-five years of Disney" on the eighteenth of November in the Chaffey College cafeteria. The band, Longshot, made everyone shout, stomp their feet, and clap their hands to a wide variety of music such as the Beach Boys, Chuck Berry, and Boston.

Overall the dance was a success as well as a fantastic way to honor the fifty-year old Mickey.

Gary Taylor and Kim Estabrook blew out the candles on the birthday cake presented to them for best representation of Mickey and Minnie. Ricky Aldercrutz and Marie Diaz who dressed as Snow White and Dopey were the winners as the best Disney costume.

"ONCE UPON A WINTER NITE . . ."

135 couples went dancing to the band 'August' at Mt. S.A.C. The evening was full of excitement for everyone especially eight certain girls who were chosen by their own class for Winter Court. Those girls were: Rachel Alverson, Jackie Moudy, Linda Ricks, Kristy Martinez, Robin Bennett, Annie West, Susie Lemanski, and Laurie Rhodes.

When the clock struck 10:00 Annie West was announced queen and for the rest of the evening she and her escort Tim Koshmerl reigned over the dance.

"WAS HE ANYONE?"

The Upland Repertorie Theater Troupe presented the farcical play, "Was He Anyone?" by N. F. Simpson on November 29, 30, December 1 and 2. The story follows the efforts of some irrational and exploitative people who try to save Mr. Whitbrace; a man who falls overboard an ocean liner. After floating around in the Pacific Ocean for two and a half years, a passing bystander decides to throw him a lifebelt . . . which promptly hits him on the head and kills him.

Freshmen

"I REALLY DON'T KNOW CLOUDS AT ALL . . ." This thematic idea marked the feelings class of '82, who found the first day of school in a daze. Many Freshmen found themselves at Upland High School walking around without any classes! Where any other Sophomore, Junior, or Senior would have been glad not to have classes, the Freshmen were on the verge of tears. Many of the Freshmen felt as though they were one lonely cloud in the midst of what could become at any minute a huge thunder storm. At 10:25, the storm calmed as all the Freshmen were finally programmed into their proper classes.

FROSH

The League Champion Freshman squad had an exciting season, completing their schedule with an undefeated 9-0 record.

Their success was a result of the hard work, enthusiasm, and team spirit instilled by coaches Ed Ulloa and former Highlander standouts, Jim Farr and Corey Chapman.

WATER POLO

Sammy,
to my love and my baby!
I'm super glad I met you this year. You're a doll! You cracked me up during football season. You sure kept me laughing. And the in P.E. you were the biggest flirt, so I always had to look behind me! I wish you luck in the next 3 years and don't flirt too much! Give those girls a break!
Love always,
Jackie

Sophomores

"RAINY DAYS AND MONDAYS ALWAYS GET ME DOWN . . ." signified the feelings of some Sophomores who, upon gaining Sophomore status, found out what a state of limbo is. Feeling adult, but not being an upperclassmen, not considered old enough to drive, date, or perhaps hold a job, the class of '81, was showered with feelings of frustration. They had finally become accustomed to the routine" of high school life. No longer was getting the right classes a problem, nor was gaining respect from peers or faculty. They had finally gained a new identity.

Sam,

You made math a blast. Hope we get in the same class next year. Have a great summe in every way

Love ya.

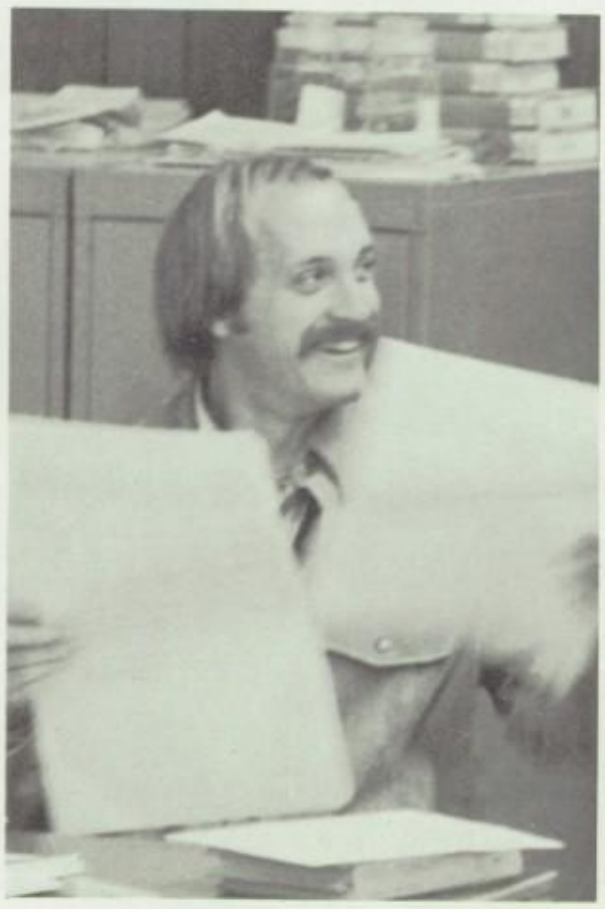
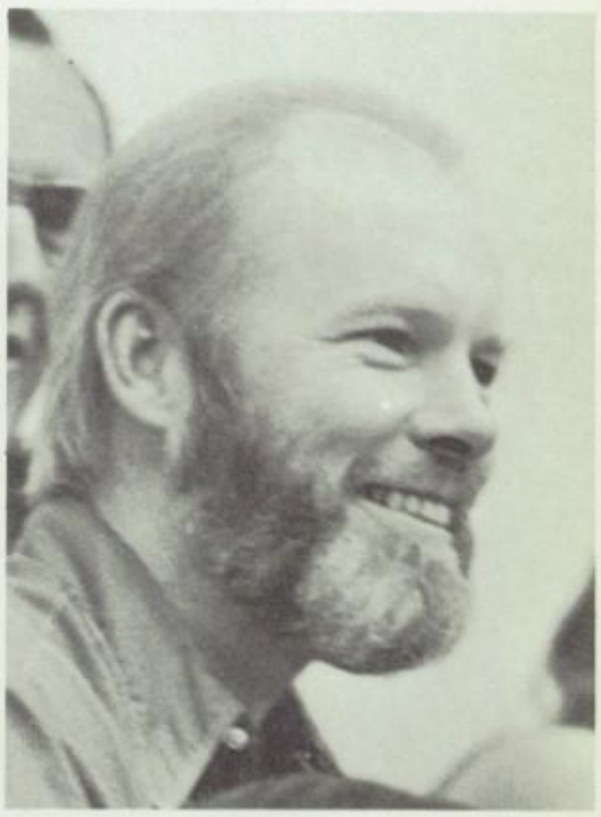
STAFF . . .



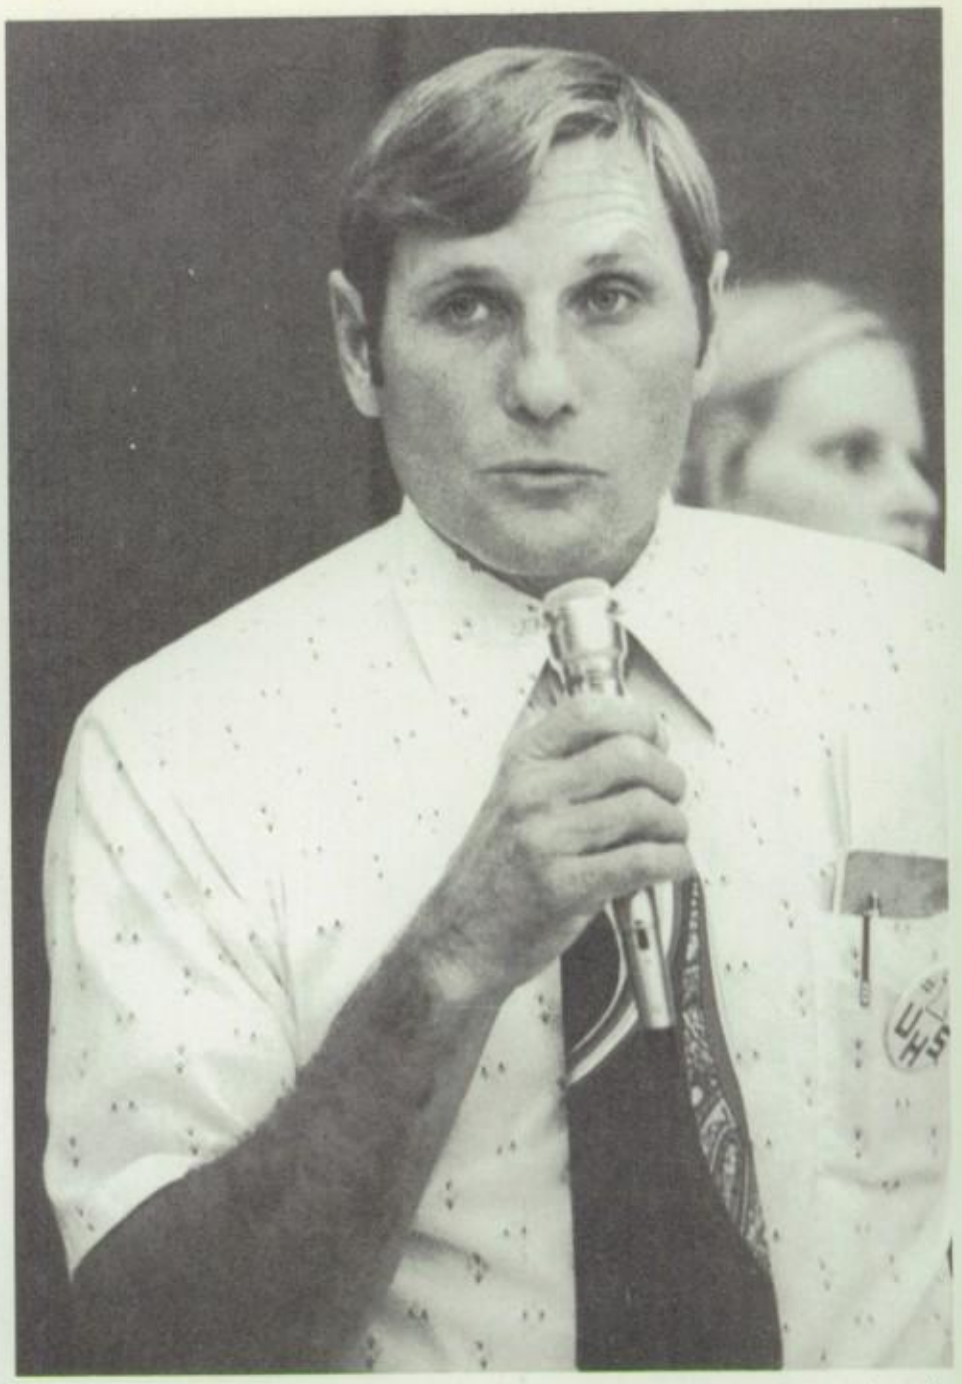


Sam,
To my most "perfect" student (cough, cough).
I must say having you as a student was interesting & especially enjoyed your promptness.
Mrs. Copeland

SURPRISE

"Kiss me you fool!"

"I feel pretty, oh — so pretty."



"What would you do if I sang out of tune, would you stand up and walk out on me?"

"Gee, your hair smells terrific."

(Big Brother) Sam, a
To a
really sweet
cute & funny guy,
I'm glad I got to
know you this year
& I look upon you really as a good friend.
Stay Yourself (nice &
cute) Hope to see you
during the summer and
for sure next year, & also
hope we stay friends.
All my Love & Friendship,
Merlee

You did great in
football
Dan

Love you always

"I can SEE CLEARLY NOW, THE RAIN IS GONE . . ." is the general attitude of the class of '80, throughout their Junior year, as upperclassmen. With the liberties of driving and the responsibilities of young adulthood, UHS has a different appearance to them. Carrying a job, as well as a full school load, is a very common thing. Although the class of '80 is considered upperclass, the "210" credit quota for graduation is more important to them. For some, the present schedule seemed easier, with the freedom of more electives. While to others it really meant "cracking" down on the books!"

BLOOD, SWEAT AND TEARS . . .

The Hielan Staff of 1979 struggled through many catastrophies to bring you this yearbook. All together there were:

1. 1500.5 hours of work
2. 200 gallons of gas
3. 23 ulcers (of all kinds)
4. 5 temper tantrums
5. 4 heart attacks
6. 21 lost layouts

Thank You!

My year in Upland H.S. is one of the most important years of my life. I am going to have a lot of great memories of the fantastic time I've spent here, and Upland will always mean something special to me.

I really want to thank the '78-79 varsity football team, that really took care of me in the beginning, when I felt kind of lost, (TP-ing will be important to Sweden). I want to thank all the nice people on the pep squad for everything they have done for me, and everyone else. Also a great big thanks to AFS both on and outside of campus. But the biggest thanks goes to Mrs. Goggin, and especially my host family — the Cruzens, who really have been fantastic to me. At last I just want to say "thank-you" to all my other friends in Upland, I have had such a great time with all you wild and crazy people.

Love you all,
Ricky

I don't think words could express how much this year has meant to me. You have all given me so much just by letting me share in your lives. This has been particularly true of my host family the Lundahls, who are so warm and loving. One thing about U.H.S. is that it has been really fun and exciting, filled with wild and crazy people. You are all beautiful. I have become really close to many people, Ricki Aldercreutz, who is like a brother, Tracey Hightower, Donna Stroud, and especially Mike Zinda. Them and many other people will always be very special to me. It is going to be hard to leave a place I have grown to love.

Finally, I'd like to thank AFS for making my stay here possible, and giving me such a fantastic experience. I won't say good bye, because I know I'll be back . . .

Love Always,
Deana

A.F.S

I am really having an enjoyable time here in Upland with all of my new friends. They have really helped me out in many ways and I feel this is the best time to say thank you to all of them. AFS is one of the best ways for a student to broaden his or her experiences throughout the world. You can learn so much through this experience and I feel that I have greatly benefited.

At this time I would like to offer special thanks to Mrs. Goggin and AFS Club in Upland for hosting me and showing me a wonderful time in sunny California; and to the people I owe the greatest gratitude of all, the Charles M. Strak Family. They have shown me so many different places in California. Although no parents could ever replace my own, I have become close to my AFS mom and dad. To me they represent foster parents. I don't think there is anyone who has made me happier the whole time I've been here. Thanks Again —

Love Trish . . .

Future in fashions? Annie Hall worked, why not Star Wars?

FASHION PHASES

Annie Hall via Jeannie Morrill and Julie Smith, is one of the newest fashion fads to hit our campus.

Seniors

...where over the Rainbow," symbolizes the goal orientation of Seniors this year. For them skies ... rainbows appeared to lead them to their destiny. As Seniors they realize that decisions about college, careers, and ...rhaps marriage must soon be made. Such serious matters were tempered by the need to escape through ... "toga-parties," sports events, dates, and even enthusiastic involvement in school. The twelve year struggle is over.

Sam,

I've known you for a pretty long time. I tried and got you and Shae together! It worked for a little while but I guess not long enough. You could have had either of us but I'm glad you picked Shae.

Sam, right after college you better get my fur coat out of lay-away. I'm waiting for it. I'll still be waiting!

We'll all still be super good friends and I'll never forget you. You're a sweet guy and I love ya lots, so stay that way and keep in touch with me.

Sugar Baby,
